Good morning

I hope all is well with you and you are enjoying our summer weather. I think we would all agree that our yards would appreciate some rain.

The attorney we originally spoke with has not been communicating with us and a decision was made to contact another firm.

We have a consultation set for July 7th with attorney Barbara Reid of Wright & Casey PA. I spoke with her yesterday and today and she seems like she will be easy to work with. The board will be working on a list of questions to present at the consultation.

Once the consultation has been completed I will send out an email with the points that have been discussed as well as a timeline for the process. I would expect that at some point there will be material that must be discussed and a general meeting will need to be called.

If you have any questions or concerns please do not hesitate to contact me.

Thank you,

Mary Jo
