*Good afternoon*

*Within the next few days a member of the Revitalization Organizational Committee will be coming by your home to deliver a packet of documents to you.*

*The packet will consist of a letter of introduction by the attorney, a proxy, and copies of all of our recorded documents. The revitalization process will reset the homeowners association as it was in 1983 when the community was completed and the homeowners association was turned over to the residents.*

*The meeting with the attorney will be held on Saturday, November 15th from 10 AM to 12PM in the fellowship hall of Longwood Hills Congregational Church. If you are unable to attend please consider giving a proxy to a neighbor or board member. We will need a majority of the homeowners in agreement for this process to be completed.*

*If you have any questions or concerns once you have received the documents please do not hesitate to contact me.*

*Thank you,*

*Mary Jo Shaw, Secretary*
